

**Lack of time and  
internal IT resources?**

**Now there's a hotline for  
immediate relief.**

## **IT ON-DEMAND**

**Preferred rates, guaranteed SLAs & on-site responses**  
**Proactive, certified IT on-demand to fit your needs**  
**Flexible, single-point on-site & reliable remote support**  
**Great for mundane regular maintenance activities**  
**Highly skilled consultation - plans to implementation**  
**Trustworthy system admin for users, groups & security**  
**Meet cost control, flexibility & regulatory compliances**

Get greater performance, cost control and flexibility when you need it, without adding staff and overhead.

Put that daily firefighting aside. Keep focused on the strategic needs of your users, while easily complying with various regulatory requirements. Out-source those mundane tasks and maintenance responsibilities to augment complex technology deployment.

Our IT On-Demand solution is designed to provide you with the highest level of IT services and support across multiple manufacturers and at multiple locations.

Get immediate access to experienced and fully certified field service, support staff, system engineers, network technicians and break/fix repair experts.

Peace of mind for you, while enjoying guaranteed service levels, preferred rates and on-site response times.

**Get immediate assistance by calling 1.888.243.1920.**
